

Make your own Blueberry Bear Balloon.

Step 1:

Supplies: crepe paper or streamers (black or blue)
blue balloons
ribbon or string
glue or tape, marker, scissors

Step 2:

Ears: Cut two 6-8" long crepe paper strips.
If using streamers, double the width.
Trim both ends to a curve shape.
Feather the bottom end of ear.

Step 3:

Tail: Cut crepe paper about 12" long.
Feather the sides of the tail by cutting on a slant.

Step 4:

Blow up balloon and with a marker draw a face on it.

Step 5:

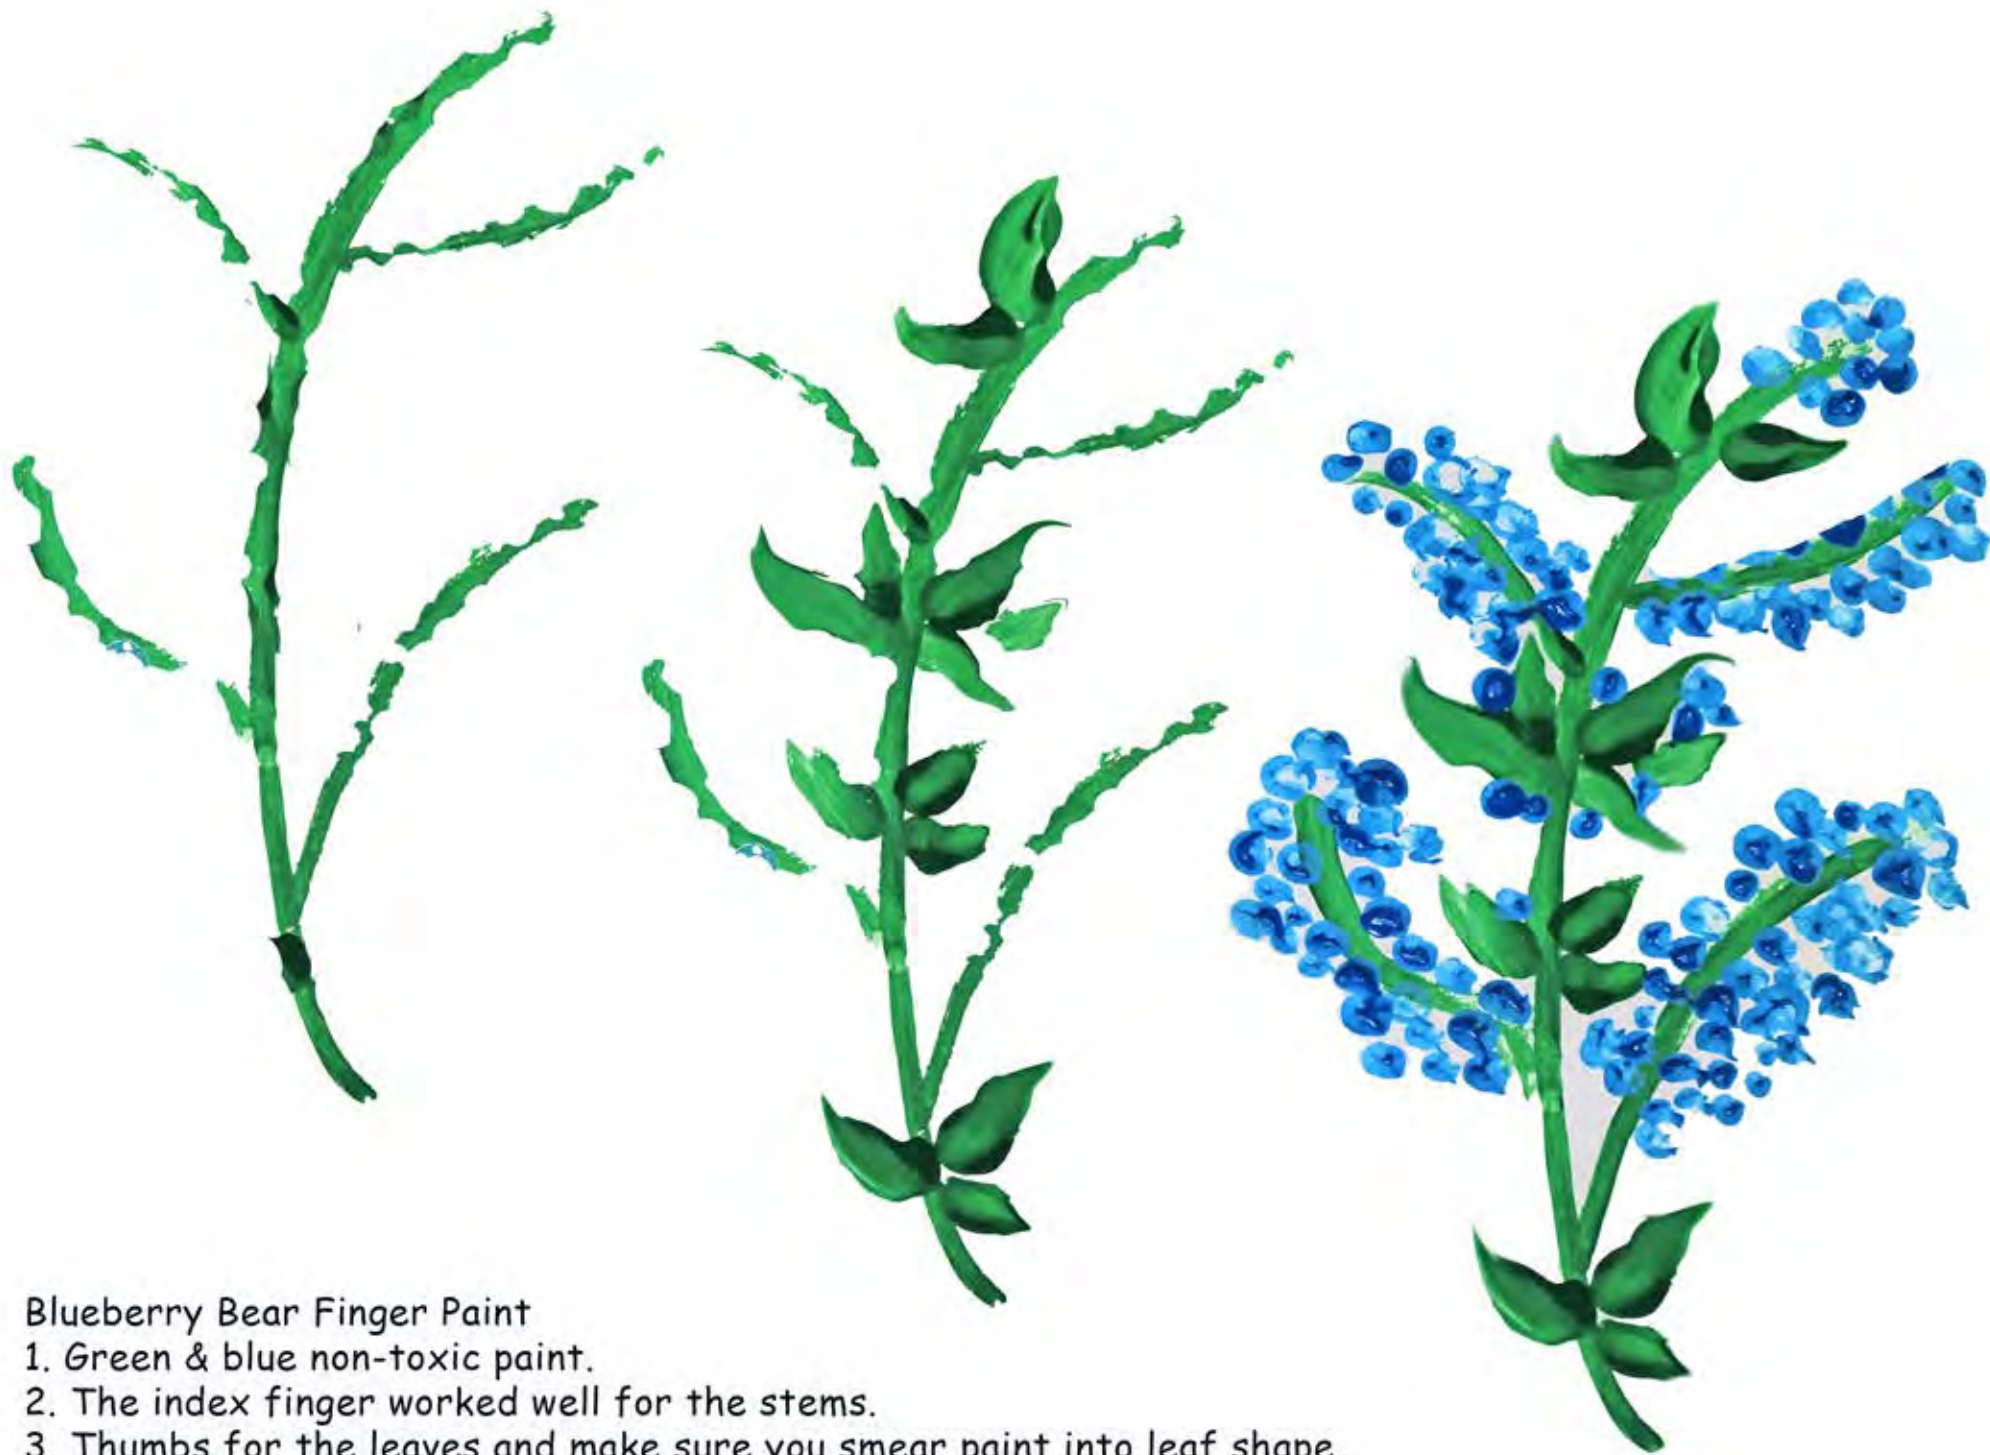

Tape or glue the ears and tail to the balloon.

Step 6:

Tie a ribbon around balloon nozzle.

NOTE: For extra fun, use helium balloons.

Blueberry Bear Finger Paint

1. Green & blue non-toxic paint.
2. The index finger worked well for the stems.
3. Thumbs for the leaves and make sure you smear paint into leaf shape.
4. Pinkie finger for blueberries, and there you have it
